Mulburries are delighted to present The Horseshoe – a home that blends practical family living with an impressive sense of light and flow. The ground floor is centred around a striking kitchen/breakfast room featuring a statement island, quality cabinetry and excellent storage, with space for modern appliances and everyday dining. This opens seamlessly into a stunning glazed conservatory, creating a wonderful lifestyle hub with garden views –

perfect for hosting, relaxing or letting the seasons in, year-round.

A spacious lounge/diner provides further flexibility, enhanced by a feature stove and doors to outside, while a separate reception room offers the ideal playroom, snug or formal sitting room. Completing the ground floor is a useful bedroom/home office and a stylish shower room, ideal for multigenerational living or working from home.

Upstairs, the first floor offers three further bedrooms and a family bathroom, with excellent proportions throughout. Importantly, the property also benefits from planning permission for a first-floor extension, presenting an exciting opportunity to enhance and tailor the space to your needs.

Outside, the home continues to impress. A wide driveway and carport provide ample off-street parking, while the rear garden is a private haven with sweeping patio areas for al fresco dining, a level lawn and mature borders. A substantial detached outbuilding/garage adds superb practicality and could suit a studio, gym or workshop (subject to any necessary consents).

Well positioned for local amenities, green spaces and convenient commuter connections, this is a rare opportunity to secure a premium family home with scope to grow.
