Situated in a convenient and well connected position within Bletchley, this beautifully renovated three bedroom family home has been thoughtfully modernised throughout, allowing its next owners to move straight in and enjoy everything the property has to offer.

Upon entering the home, you are welcomed into an entrance hall leading through to a spacious living room positioned at the front of the property, providing an excellent space for relaxing with family or entertaining guests.

To the rear, the property opens into a stunning brand new fitted kitchen, finished to a high standard with a modern range of units, quality work surfaces and ample space for appliances. The kitchen flows naturally into the dining room, creating a sociable space ideal for everyday family life or hosting friends. Throughout the entire ground floor, the flooring has been upgraded with contemporary tiling, giving the home a stylish and practical finish.

One of the standout improvements is the garage conversion, which has been transformed into an incredibly useful utility and storage room. This versatile space provides excellent practicality while retaining generous storage, making it ideal for busy family life.

Upstairs, the property offers three well proportioned bedrooms, all benefiting from newly fitted carpets, creating a fresh and comfortable feel throughout the first floor. The family bathroom has also been completely renovated with modern fixtures and fittings, providing a sleek and contemporary finish.

Outside, the property enjoys a private rear garden offering an excellent space for outdoor dining, relaxing or entertaining during the warmer months. To the front, the home benefits from an allocated parking space.

The location is equally impressive for commuters and families alike. Bletchley Train Station is approximately a 7 minute drive away, providing direct rail links into London and beyond. Milton Keynes University Hospital is approximately an 8 minute drive, while Queensway High Street is around a 7 minute walk, offering a variety of shops, cafés and everyday amenities. Aylesbury Street High Street is also within approximately a 4 minute walk, adding even more convenience right on your doorstep.

Having undergone extensive recent improvements including a brand new kitchen, renovated bathroom, new flooring throughout the ground floor, new carpets upstairs and a professionally converted utility and storage room, this is a fantastic opportunity to purchase a home requiring very little for its next owners to do other than move straight in.
