A Rare Opportunity in the Heart of the Village

A rare opportunity to acquire an individual detached family home superbly positioned in the heart of the village, occupying a large and prominent corner plot on The Green.

Originally built in 1958 and extended in 1987, the property now includes a two-storey self-contained annexe offering two bedrooms, a lounge, dining kitchen, and bathroom. This additional accommodation could be easily incorporated into the main house, creating a total living area of over 1,700 sq.ft, plus a garage and outbuildings - providing five bedrooms, two bathrooms, and three/four reception rooms in total.

The property requires refurbishment throughout and presents an excellent opportunity for buyers to modernise and potentially reconfigure the layout to their own taste and specification.

Occupying a generous corner plot, the property enjoys gardens to three sides, mainly laid to lawn and enclosed by mature hedgerows and shrubs. A driveway provides parking leading up to the garage, while the overall layout and plot size offer tremendous potential for further remodelling or extension, subject to the necessary consents.

A viewing is highly recommended to fully appreciate the size, versatility, and potential this property has to offer.
