ESTATE AGENCY

The Old Post House, 3 Sudbury Road, Yoxall DE13 8NA £550,000

A thoroughly impressive family home extending to nearly 2,500 square feet of flexible family accommodation over three floors, boasting an impressive five double bedrooms and three bathrooms and occupying a wonderfully central position in the ever popular village of Yoxall. Totally refurbished only six years ago in a flawless modern style, boasting a unique blend of contemporary design and inherent historic charm, tastefully preserving many original features such as the timber frame and ceiling beams, fireplace and exposed brickwork. This delightful cottage home with plantation shutters throughout comprises: A striking open plan kitchen, living and dining space with comfortable seating/TV area, dining space with double doors to the garden and a shaker style kitchen with large central island, pantry and a wealth of integrated appliances. The rear living room, complete with log burner, gives great flexibility to the ground floor, which is completed with a stylish boot room and guest cloakroom. The upper floors offer even more space with a large central landing on the first floor leading to a principal bedroom with original fireplace and en suite shower room and the three further double bedrooms served by the family bathroom. A second staircase leads to a further bedroom suite, perfect for a teenager with a large bedroom, open landing space, currently used as a music room, and an en suite shower room. There is also access to a large open attic storage area. Externally there is the unexpected bonus of a rear private driveway for two cars and a low maintenance walled rear garden with patio seating areas, artificial lawn and large integral storage room, which does have planning to knock through to the living room and be incorporated within the internal living space.

Viewing is essential to fully appreciate the exceptional nature and flawless presentation of this property and its central position within the village.
