A three bedroom mid terrace family home, located on the HMP Highpoint site. Previously this was rented out and achieved a rental income of £1000 per month, but would equally make a great, affordable home. Front and rear gardens, plus part ownership of a central grassed area, which could be utilised as more garden or potential parking (stp), with current parking offered via garage en-bloc and parking in front. The property is offered with no onward chain.
