A range of schools are also nearby. Frequent bus services operate at both ends of the road, and the recently updated Reading West train station (services to London Paddington, Newbury, Basingstoke, and Theale) is approximately a 15-minute walk.

The accommodation comprises a box bay living room leading to a dining room with stairs to the first floor, a kitchen with ample storage and work surfaces, and a rear lobby giving access to a three-piece bathroom with shower over bath. Upstairs, there are two double bedrooms. Externally, the rear garden is low maintenance, fully paved, and fully enclosed.

Offered with no onward chain, this home is ready to move into and presents an ideal opportunity for first-time buyers or investors.

Purchasers Note : In 2023, a specialist contractor installed a loft Positive Input Ventilation (PIV) system along with three warm passive vents throughout the house. This system introduces dry fresh air, reducing condensation and eliminating previous mould issues.
