Flat
Leasehold

A good-size one bedroom flat on the fourth floor of the building, benefitting from lift access up to the top floor. The apartment is modelled on the footprint of a standard two-bedroom property and therefore has extra space in the L-shaped living room and a bigger kitchen than is usual.

Being on the top floor, the flat is very quiet with only 3 other properties on this floor. The flat benefits from views over the train station and town beyond and has a bright and airy feeling from the large windows.

The property is near to local amenities, with a supermarket and bus stop a few minutes away. The beaches and town centre are 5 minutes away on foot, with the train station just over the road.
