Gardens

The property is situated on a plot of approximately 2.0 acres and benefits from extensive garden space which is comprised of a multitude of different areas. These include, the well maintained conventional laid to lawn garden that surrounds the main residence that is full of mature trees, plants, and shrubbery all of which provide life and colour, the paddock that is currently used as a grazing area for a donkey, the building plot that is currently an extension of the current garden space, and the block paved patio area which provides an ideal place for outdoor seating. It's safe to say the property's garden is impressive and is certainly not short on space.

Outbuildings

The property benefits from a variety of different outbuildings found across the 2 acre plot that the property is situated on. This includes an open barn found between the Spa and the Annex, a further barn complex which has previously had planning for a conversion, a small paddock for a donkey with stable space, two large aviaries, and a range of further workshop and garage spaces.

Building Plot

Found on one side of the property is a building plot which has its own separate access and provides an ideal investment opportunity.

Driveway

The property boasts a plethora of hard standing driveway space with enough room to house sixteen large vehicles.
