Our Vendor Loves...

The sheer size of the property is what drew me to it when I bought it. When you think of a flat you don't think of three large bedrooms, two bathrooms and over 1,100 square feet of floor space. It is such a spacious home, you are greeted by high ceilings when you walk in and the property is flooded with lots of light making it feel bright and airy. Wiverton Road is a lovely quiet road surrounded by parks with everything you could want within walking distance. Not knowing Sydenham before we moved here, it has been the best decision we have made.
