Owners Opinion
This has been a fabulous house where we have lived for over 20 years and raised our family. The property is ideally located on the edge of Thirsk and Sowerby, being within easy walking distance of the town centre and all of the local amenities as well as the primary school and secondary school, supermarkets, cinema, play area, leisure centre (with swimming pool, gym, and sauna) and walks over The Flatts. We have lovely neighbours around us and there is a real sense of community to the area. Thirsk offers fabulous access with excellent road to the A19 and A1 (M) and rail links being on the main East Coast line between Edinburgh and King Cross London. In addition, there is lovely countryside nearby, including being situated between The North York Moors and The Yorkshire Dales.
