Agents Opinion

Rarely does a property of this size, location and price become available on Rhiwbina Hill, and therefore when it does we respectfully suggest early viewing appointments to avoid disappointment. The current owners have live here for more than 30 years and they say that it was their dream home when they first caught site of it after searching for their 'forever home', in which to settle and raise their family, for quite some time. They instantly fell in love with the space and the privacy that The Laurels affords them, and have spent so many happy years with their family and friends in this magnificent property. The time has now come to pass on this special place in their hearts to the next generation of families looking for the same goal as they had all those years ago. The Laurels is simply ready and waiting for it's next chapter. Call us to arrange your appointment today; you will not be disappointed.

Energy Efficiency Rating

	Current	Potential
<i>Very energy efficient - lower running costs</i>		
(92+) A		
(81-91) B		
(69-80) C	70	74
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
<i>Not energy efficient - higher running costs</i>		
England, Scotland & Wales	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
