Hedgerow Close itself is a small cul-de-sac with very little passing traffic, giving it a safe and friendly feel. The houses here are set back from the road behind front gardens, with good sized rear gardens and parking and garages to the side.

This particular property has been let in recent years but has been well looked after and is now offered to the market with no onward chain. It's a solid, straightforward home with the key elements already in place, including uPVC double glazing and mains gas central heating.

Inside, the layout is practical and works well. The living room sits to the front, while to the rear the kitchen has been opened up from its original form to create a more sociable kitchen/dining space, making it a better fit for modern living.

Upstairs, there are two double bedrooms along with a single bedroom, all served by a modern family bathroom with both bath and shower.

Outside, the front garden sets the house back from the cul-de-sac, with the driveway providing off-road parking. To the rear, the garden is enclosed, ideal for children and pets, and offers a mix of lawn, patio and planted beds creating an easy to enjoy space. A particularly useful addition is the room to the rear of the garage, currently used as a utility, accessed from the garden and adding further practicality.

Overall, this is a well positioned and well presented home offering great value for money, and ready to be enjoyed straight away.
