### THE PROPERTY

An opportunity to purchase this character property and create your long-term family home. Every room features high ceilings, which create a feeling of space. The property is currently divided into two flats and requires full remodelling and modernisation to form a single dwelling of substantial size, measuring approximately 2000 square feet. A bay fronted sitting room is found at the front of the house and a large 21' dining/family room overlooking the rear garden, a kitchen breakfast room and a downstairs shower room to the ground floor. To the first floor there are three bedrooms, after the removal of some stud partitioning. There is space for a bathroom and separate toilet and a small box room which could be used as a dressing room to bedroom one or perhaps a small hobby/craft room. There are two further double bedrooms to the second floor and ample space within the eaves to potentially create another bathroom.

### OUTSIDE

A garden to the front of the property and a good sized, south facing rear garden which is laid to lawn.
