This family home benefits from a dedicated study, connecting doors from the living room to the kitchen and a detached garage.

The spacious layout in this home provides a home perfect for relaxing, working and entertaining. The downstairs layout is perfect for socialising and entertaining with a large living room and kitchen/diner which leads to the garden. The additional reception room to the front is designed to be a study. This reflects the shift toward remote work, evolving family needs, and the desire for adaptable, future-proof layouts but has potential to be a multi-use space, adapted to suit you.

Upstairs, the four bedrooms give plenty of space, with each bedroom able to comfortably fit a double bed and wardrobes, and one has a stylish ensuite shower room.

Driveway parking and the single garage keeps your vehicle off the road, and has an electric vehicle charging point.
