Water Street, Springwood Huddersfield,

Offers over £50,000

An intercom system gives access to the inner entrance, where a staircase rises to the first floor accommodation, where apartment 48 can be found. This one-bedroom apartment is situated in a highly accessible area, within walking distance of the town centre with its various public transport links. It is a short distance from the M62 motorway network and may prove suitable for investors or professional couple looking for a lock-up and leave style property. The accommodation comprises an entrance hall, bathroom, double bedroom with walk-in style wardrobe and open-plan living kitchen. The property has an electric heating system and is predominantly uPVC double-glazed. Externally, the apartment benefits from an outdoor space, perfect for entertaining.

Details

Bedroom

This spacious double bedroom is positioned at the rear of the apartment and has a lovely outlook via a uPVC double-glazed window. It has a wall-mounted electric heater, a central ceiling light point and a useful storage cupboard, which houses the hot water cylinder and could be a useful wardrobe area.

Living Kitchen

The kitchen area is positioned at the rear of this open-plan room and comprises a range of wall and base cupboards, drawers, roll-edge worktops, a one-and-a-half bowl stainless steel sink unit and brick style tiled surrounds. Integrated appliances include an oven and hob with an overlying canopy style filter hood and fridge freezer. There is space for a microwave and space and plumbing for an automatic washing machine. A dishwasher could also be incorporated if required. There is a central ceiling light point, an extractor fan and vinyl style flooring running throughout. Natural light comes from two uPVC double-glazed windows to the side elevation. The living area has three ceiling light points, an electric wall-hung radiator and a set of uPVC double-glazed patio doors providing access to a tarmacked garden area.
