£298,000 Freehold

A SPACIOUS THREE DOUBLE BEDROOM DETACHED FAMILY HOME, ORIGINALLY CONSTRUCTED AS A FOUR BEDROOM PROPERTY, SITUATED AT THE END OF A QUIET CUL-DE-SAC WITH A DRIVEWAY AND ENCLOSED SOUTH FACING REAR GARDEN.

This well-presented detached family home occupies a sought-after position at the end of a quiet cul-de-sac on Humber Road, directly opposite a green space and within easy walking distance of the excellent local shops and amenities. Originally built as a four bedroom property, the accommodation has been reconfigured to provide three generous double bedrooms, with the rear bedroom offering the potential to be divided back into two bedrooms if required. Benefiting from gas central heating, double glazing, a driveway and an enclosed south facing rear garden, this is an ideal home for a growing family.

The property is entered via a side entrance door leading into the reception hallway. To the front is a fully fitted kitchen, whilst a door at the end of the hallway provides access to the ground floor w.c. and a large store room, which offers excellent potential to be converted back into a garage if desired. To the rear of the property is a spacious lounge with doors opening into the conservatory, which has recently benefitted from a replacement tiled roof with an overhang creating a covered outdoor seating area. The enclosed south facing rear garden is laid mainly to lawn with fenced boundaries. To the first floor, the landing leads to three double bedrooms and the family bathroom, with the generous rear bedroom offering scope to be converted back into two separate bedrooms.

Humber Road is a popular residential location in Long Eaton, with a wide range of shops and everyday amenities virtually on the doorstep. The property is conveniently positioned for schools, healthcare facilities and excellent transport links, including easy access to the A52, M1 and Long Eaton train station, while nearby open green spaces make this a superb location for families and commuters alike.
