PROPERTY DETAILS

Located within the quiet cul-de-sac of Harbour Farm at Winchelsea Beach, this delightful semi-detached bungalow offers a wonderful combination of comfort, practicality and coastal living. Situated in a peaceful residential setting and originally built in 1965, the property provides well-balanced accommodation extending to approximately 645 sq. ft., making it an ideal home for those seeking manageable single-storey living without compromising on space.

The accommodation is arranged to provide a bright and welcoming open plan living area which flows seamlessly into the fitted kitchen/breakfast room, creating an excellent sociable space for both relaxing and entertaining. The kitchen is fitted with a range of units and offers ample space for everyday dining.

There are two well-proportioned bedrooms, both enjoying a pleasant outlook, together with a conveniently positioned bathroom serving the accommodation. The layout has been thoughtfully designed to provide comfortable and practical living throughout. The rear conservatory is an excellent addition.

A particular feature of the property is the generous off road parking, with space available for up to four vehicles, something rarely found in properties of this style and location. This makes the bungalow ideal for visiting family and friends or those requiring additional parking facilities. There is that extra triangular piece of Land to the front of the property.

Winchelsea Beach is highly regarded for its unspoilt coastline, relaxed atmosphere and access to beautiful surrounding countryside and nature reserves. Local amenities are within easy reach, while the nearby beach and scenic walks make this a fantastic location for those who appreciate outdoor and coastal living.

Overall, this nice bungalow presents an exciting opportunity to secure a well-positioned home within one of the area's most desirable coastal locations. Viewing is highly recommended.
