ACCOMMODATION

The ground floor of this exquisite character farmhouse offers an exceptional blend of character and practical family living.

At the heart of the home lies the impressive farmhouse kitchen, a superbly proportioned space ideal for both relaxed dining and hosting. A charming exposed low beam subtly defines the space and reinforces the property's character. The kitchen flows effortlessly into the dining area which is perfectly suited to entertaining or family meals. Complimenting these principal spaces is a utility room and a stylish ground floor bathroom with separate walk-in shower and bathtub.

The home benefits from two beautifully contrasting reception rooms. The first of which is a TV room centred around a wood-burning stove, while the more formal sitting room is a standout space, featuring a striking open fireplace and arranged to enjoy views across the grounds.

On the first floor, the master bedroom suite is a tranquil retreat featuring an ensuite W/C and walk in shower room. The master bedroom also benefits from its own private balcony which provides an idyllic spot to enjoy morning coffee and far-reaching views over the surrounding countryside.

There are four further well-appointed bedrooms on this floor, each enjoying its own individual character and are ideal for family members or guests. A stylish family bathroom with separate W/C completes the accommodation on this floor.

On the top floor, there is the ever so charming sixth bedroom set beautifully within the eaves of the property.

Outside the property benefits from generous grounds which wrap around the house and provide incredible views of the Suffolk sunset! To the side of the property there is ample off-street parking for multiple cars along with an EV charger.

The property is heated via oil fired central heating. It has an EPC rating E.
