We are delighted to present this exceptional, extended period semi-detached family home—one of the finest examples of its kind in York. Beautifully modernised throughout, it blends restored original features with premium contemporary finishes.

Bright and spacious, the property includes aluminium-framed double glazing with encapsulated leaded panes and gas central heating. The ground floor offers a welcoming entrance hall with oak parquet flooring, ground floor WC, a cosy bay-fronted living room with feature fireplace, and an impressive open-plan living/dining/kitchen space designed for modern family life.

A striking bi-fold window connects the space seamlessly to the outdoors. A separate utility with butler sink and quartz worktop provides access to the bright, integrated garage.

Upstairs, a galleried landing leads to three generous double bedrooms and a stylish family bathroom with freestanding stone bath, walk-in waterfall shower, and micro-cement feature wall. Each bedroom includes built-in wardrobes and traditional radiators; one also features a charming cast iron fireplace.

Outside, the private two-tier garden offers mature planting, lawn, York stone steps, and a tranquil lower patio with pergola leading to a raised terrace—perfect for entertaining. A large detached brick-built workshop provides excellent storage or conversion potential (subject to planning).
