Description

Meadow View is a charming set of mews-style properties located in the heart of Small Dole. This generous property spans three levels, providing ample space for the entire family. The well-designed open-plan downstairs area flows seamlessly into a westerly-facing rear garden, which is rich in wildlife and activity. The interior features a flat plaster finish and neutral decor throughout, further enhancing the ability to move straight in.

Set behind a neat picket fence and gate, a paved path leads you past mature trees to the front door. Inside, you'll find the kitchen designed in a countryside cottage theme, complete with high and low-mounted storage cupboards and work surfaces on two sides, offering space to conceal essential white goods and accommodate a large fridge/freezer. The kitchen provides a pleasant view of the front garden.

The hallway leads to a spacious open-plan living and dining room that benefits from the westerly aspect and opens onto the rear garden through glazed French doors. Stairs rise to the first floor, where you'll discover the family bathroom and the first two of the three double bedrooms, both featuring built-in wardrobe storage. The bedroom at the rear offers a lovely view over the fields, while the front bedroom is currently being used as a work-from-home space. Stairs continue up to the top floor, which houses the third bedroom alongside an ensuite W/C.

Outside, the property boasts a low-maintenance, westerly-facing rear garden laid with shingle and bordered by mature plants. This leads to a garden gate that provides access to private off-street parking at the rear.
