

St Stephens Avenue, London W12

This spacious and extremely well presented maisonette is arranged over two floors of this end of terrace Victorian house. The property benefits from excellent living space by providing bright interlinking reception rooms that span the full depth of the property and feature fireplaces, bespoke joinery and oak floors. The flat is perfectly suited to those who will enjoy its spacious living space to entertain in a light and bright environment as well as its large leafy garden to relax in.

The accommodation provides three bedrooms, a family bathroom, separate cloakroom, utility room, double reception room and a well appointed kitchen. There is side access (pedestrian) to the landscaped rear garden as well as a separate entrance on the lower ground floor. The flat benefits from an abundance of natural light, being well presented throughout, excellent built in storage, double glazed throughout and is being sold with no onward chain.

Asking Price: £985,000 Long Leasehold of 175 years

Some photos have been enhanced using CGI furniture.

The graph shows the current energy efficiency of your home. The higher the rating the lower your fuel bills are likely to be. The potential rating shows the effect of undertaking the recommendations on page 3. The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60). The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.
