This well-proportioned detached house, offering two bedrooms, is located in a much sought after residential area. The property has been well maintained throughout, while still presenting an excellent opportunity for buyers wishing to modernise and tailor the space to their own taste.

As the property is of non-traditional construction a number of lenders may not accept lending on this property. The availability of lending should be confirmed before purchase. The property offers generous accommodation throughout and benefits from single, double and secondary glazing and gas central heating.

The well-proportioned layout includes an exceptionally bright and spacious lounge, a good-sized kitchen, and a convenient downstairs w.c. with useful under-sink storage. The dedicated dining room provides an inviting setting for family meals or entertaining guests with the family bathroom incorporating a shower over the bath. On the first floor can be found two generously sized double bedrooms offering comfortable and versatile accommodation.

Externally, the home is set within privately enclosed gardens to both the front and rear. The outdoor space is mainly laid to lawn, complimented by gravelled and slabbed areas designed for ease of maintenance.

This property would make an excellent home, and an internal viewing is strongly recommended to fully appreciate the space on offer.
