In the heart of the Peak District National Park this two-bedroom duplex apartment forms part of the historic former pump house for Ladybower Dam, a landmark building that has been skilfully converted into a stylish and highly sought-after development.

Occupying a truly unique and idyllic setting, the property is surrounded by dramatic open countryside with immediate access to scenic walks and cycle trails. Located close to the village of Bamford, which offers a range of shopping facilities, a country inn and rail links, the apartment is also within easy commuting distance of Sheffield, Manchester and the many picturesque Derbyshire villages.

Set within attractive communal gardens, the development benefits from secure gated parking with additional visitor spaces, an allocated parking space for the apartment, secure storage and bike areas and full use of the on-site gymnasium.

The well-presented accommodation is arranged over two floors and benefits from electric heating and a communal entrance hall with security intercom. A private entrance hall with built-in storage leads to a generously sized double bedroom featuring quality fitted furniture and a luxurious en-suite shower room.

Stairs descend to the lower ground floor where a lobby leads to a spacious open-plan lounge and dining area, seamlessly flowing into a fitted kitchen with integrated appliances. A door from the kitchen opens onto a seating terrace within the atrium, providing a pleasant space. Also on this level is a second double bedroom with fitted wardrobes and a stylish bathroom.

This exceptional duplex apartment combines contemporary living with industrial heritage, set against one of the most breathtaking backdrops in the Peak District.
