Externally, the property occupies a generous plot and benefits from extensive low-maintenance gardens, making it ideal for those seeking plenty of outdoor space with minimal upkeep. To the front, there is a substantial brick-paved driveway providing ample

off-road parking for multiple vehicles, complemented by a further gravelled frontage.

The rear garden has been thoughtfully designed for ease of maintenance, featuring large gravelled areas, paved patio seating spaces and a central pathway leading to an impressive timber outbuilding. This substantial garden building offers excellent versatility and could be utilised as a workshop, hobby room, home gym, storage facility or entertaining space, subject to individual requirements.

A further timber storage shed provides additional practical storage, while the garden also benefits from

a high-end bespoke Catio (available as an optional extra by separate agreement). Fully enclosed by timber fencing, the gardens offer a good degree of privacy and create a safe environment for children and pets. The property's generous outdoor space, extensive parking and versatile outbuildings combine to make this an ideal home for families, hobbyists or anyone requiring excellent external facilities.

Tenanted Property – we are not always able to show the most recent condition of a property due to tenants' privacy and we may choose to show the photographs of the property when it was last vacant to at least allow clients some idea of the internal condition. Therefore, we would of course, urge you to view before making any decisions to purchase or rent the property and before any costs.

Energy Performance Certificates are supplied to us via a third party and we do not accept responsibility for the content within such reports.

PRC Certificates – Some ex-local authority properties have been repaired in recent years using the PRC Scheme wherein a certificate has been produced by a qualified property engineer. This certificate does not imply the suitability for a mortgage approval and you must satisfy yourself of the work carried out that may meet your lenders criteria.

As with leasehold property or new build development sites, you are likely to be responsible for a contribution to management charges and/or ground rent or a contribution to the development service charge. Please enquire at the time of viewing.

You may also incur fees for items such as leasehold packs and, in addition, you will also need to check the remaining length of any lease before you complete a mortgage application form. Please ask a member of our team for any help required before committing to purchase a property and incurring expense.
