PROPERTY DETAILS

Ideally situated within easy reach of local shops, supermarkets, well-regarded schools and the seafront, the property also enjoys convenient access to Hastings, Bexhill-on-Sea, Battle and Rye, making it perfectly suited to first-time buyers, investors or those seeking a project in a popular residential location.

The accommodation begins with an entrance hall leading through to a spacious bay-fronted living room, whilst a separate dining room provides an ideal space for entertaining and family dining. To the rear is a kitchen/breakfast room with access to the garden, offering exciting scope for improvement and reconfiguration, subject to any necessary consents.

To the first floor are two well-proportioned double bedrooms together with a bathroom and separate WC. Although the property would now benefit from a programme of modernisation, it offers tremendous potential to create a wonderful home whilst retaining the character and proportions synonymous with homes of this period.

Externally, the property enjoys an enclosed rear garden and benefits from the rare advantage of an off-road parking space located opposite the property, providing valuable convenience in this sought-after area.

The property further benefits from gas central heating and is offered with enormous scope for enhancement. We are delighted to represent this charming home and viewing is highly recommended through the vendors' sole agents, Just Property.
