A Home of Character, Space and Endless Possibilities

Occupying approximately a third of an acre in mature private grounds,

this substantial five-bedroom detached family residence offers an exceptional amount of living space, extensive parking and a detached double garage with workshop. Brimming with character and versatility, this is a rare opportunity to acquire a home perfectly suited to growing families.

The Finer Details

Step inside this impressive five-bedroom detached residence and discover a home that effortlessly combines character, space and practicality.

From the moment you arrive, the property's mature setting and generous plot create a wonderful first impression. Internally, the home boasts a flexible and well-designed layout, ideal for modern family living.

The ground floor offers three versatile reception rooms, each providing its own unique purpose. The spacious lounge is a warm and inviting space, centred around a feature fireplace and enhanced by a beautiful bay window that fills the room with natural light. Patio doors lead directly from the lounge to the garden, creating a seamless connection between the indoor and outdoor spaces and making it ideal for entertaining during the warmer months. A separate reception room currently serves as a cosy second sitting room but would equally make an excellent formal dining room. The well-appointed kitchen offers a range of cabinetry and work surfaces, ample space for dining and everyday family life, and room for additional appliances. Completing the ground floor is a delightful garden room overlooking the grounds and a convenient downstairs WC.

To the first floor, the property continues to impress with five well-proportioned bedrooms, offering flexible accommodation for growing families, guests or those working from home. A family bathroom serves the first-floor accommodation and provides everything required for modern living.

Outside, the property truly comes into its own. Occupying approximately a third of an acre, the beautifully maintained gardens offer an abundance of outdoor space to enjoy. Predominantly laid to lawn and complemented by patio seating areas, the grounds provide the perfect setting for entertaining, family gatherings or simply relaxing in peaceful surroundings.

Accessed via gates from a private road, the extensive driveway provides ample off-road parking for numerous vehicles and leads to a detached double garage and workshop, offering excellent storage, hobby space or further potential.

Properties offering this combination of space, character, privacy and outdoor living are rarely available, making this a truly special family home that must be viewed to be fully appreciated.
