Description

The ground floor comprises an entrance porch, reception room, dining room, kitchen, study and downstairs WC, while upstairs are three bedrooms and a newly fitted family bathroom. The accommodation offers plenty of scope for modernisation, while the property also presents an exciting opportunity to extend, subject to the necessary planning consents, making it particularly appealing to those looking to create a larger family home. Outside, there is off street parking for two cars to the front, while the rear garden is a real feature, being well laid out and landscaped with a good sized patio area providing an ideal space for outdoor dining and entertaining, leading onto the remainder of the garden.

In the heart of nearby Ewell Village lies The Spring and The Hogsmill River leading up to the nature reserve which links West Ewell. There are a range of popular local schools and of course Chessington North, Ewell East and Ewell West stations with their connections to London that are within a short distance away. Nearby Epsom is a popular commuter town, located to the south west of London and offers a good mix of state and independent schools for all age groups. Also close by is Epsom Downs, the home of The Derby. The M25 (Junction 9) is a short drive away giving access to both Heathrow and Gatwick international airports.
