THE PROPERTY

Located in pleasant spot on the edge of the village with pleasant views to the front, the bungalow occupies a good size plot with gardens to three sides and ample parking / garage to the other. It's a great position for those looking to downsize to single-level living, who want a peaceful position within reach of good road links.

ACCOMMODATION

The main entrance is to the side of the property with a UPVC double glazed door opening into the inner hall. The hallway includes a good size walk-in cloaks cupboard and a linen cupboard with radiator. Access to the loft space is via a hatch with pull down ladder, boarded for storage.

The kitchen opens through into the dining / breakfast area making a spacious open plan area for both cooking and eating. The main area of kitchen enjoys a pleasant outlook over the front garden towards the countryside views beyond. There's a handy pantry cupboard to one corner whilst the modern fitted units incorporate space for a washing machine. An extra door to the outside leads to a useful side porch. The dining / breakfast area is very much an extension of the kitchen and includes the a gas and electric range cooker with stainless steel cooker hood over. Windows to the front and side provide lots of natural light throughout the day and again make the most of the views. The sitting room is a dual aspect room with windows overlooking the side garden and French doors opening to the south-west aspect onto a pleasant paved Juliet balcony. A stone fireplace houses a multi-fuel cast iron stove to complement the gas central heating throughout. The bedrooms are located at the rear of the bungalow, with the main bedroom again enjoying a dual aspect. It also benefits from both single and double built-in wardrobes. There are two further good size bedrooms, and an accessible shower / wet room with separate WC for convenience.

OUTSIDE

To the front is a sizeable garden with mature hedging and shrubs, enjoying a good degree of privacy from the lane. There is a useful double power socket at the front of the property. To one side a driveway provides plenty of parking and access to the single garage with electric door, power and light. There is also an outside tap. The garden leads around to the rear, where there is a timber shed and log store, and raised beds to grow your own. Beyond are a greenhouse and timber summerhouse, with further gardens on the south side, leading around to the front.
