Description

This well-presented family home is situated towards the rear of the "Deer Park" development. It boasts three double bedrooms, a favoured southerly-facing rear garden, and no onward chain!

Access to the property is via a small undercover walkway, which passes additional external storage, or from a cul-de-sac at the rear where the garage is located, along with plentiful parking options.

Upon entering, you will be greeted by a spacious entrance hallway illuminated by southerly and westerly windows. The modern kitchen boasts white high-gloss high and low-level units hiding essential white goods, paired with contrasting black work surfaces, offering views over the side garden. The lounge and separate dining area are spacious & both provide pleasant views over the rear garden.

Stairs lead to the first floor, where you'll find a generous landing area and all three bedrooms. The first two bedrooms are considered doubles, while the main bedroom is also spacious, featuring built-in wardrobe storage and an en-suite shower room. The oversized family bathroom is equipped with a matching white suite, and an additional airing storage cupboard completes the upstairs layout.

Outside, the favoured southerly-facing garden is primarily laid to lawn, with a patio path leading to the garage which has power and light. The garage itself is serviced by an up-and-over door.

The property is presented in neutral tones throughout, with flat plaster walls and ceilings, making it ready for you to move in. In our opinion, early viewing is essential to appreciate all that this home has to offer!

There is an annual service charge for the estate which was approximately £300.00 per annum last year, 2026 TBC.
