### Sam Kerr-Smiley

---

Sam and Nony are independent estate agents specialising in selling houses in and around Winchester. They take total and personal responsibility for each home – from valuing it initially, attending the photography sessions to ensure that it looks as good as it possibly can for the marketing material. They undertake all the viewings themselves and get to know each home really well, negotiating the offers, and then personally manage each sale through to exchange and completion.

It is their strong belief that they offer an approach that manages to be both powerful and unique, whilst never forgetting that their clients are the single most important aspect both of their personal business, and that of Martin and Co with whom they work and sit under the legal compliance and infrastructure of.

## Testimonial 1

After going through the process of selling and buying simultaneously, I realised how exceptional this duo is! Always direct, no airs and graces, pure professionalism. Always one point of contact "Nony" Whatever time of day. She never sugar coats and a massive support through a nail-biting process. I would highly recommend Nony to anyone looking to sell their property! Thank you!

## Testimonial 2

Nony and Sam aren't your typical estate agents. From the outset, they were by far the most interested in helping us, and they really cared. There was SO much back and forth with surveyors etc due to the age of the property, and they guided us through that process, and cajoled the many different agents and solicitors in the chain to get us over the line. Thanks so much Nony and Sam! You guys are first class.

## Testimonial 3

Nony engages deeply with all parties involved to make the difficult and fraught process of buying and selling a property much easier. Her knowledge of the Winchester property market, and her warm but realistic approach to getting a sale done, sets her apart from many of her peers. Nony loves what she does, looks after everyone involved and keeps all parties focused on completing the deal.
