When you couple the flexible space it provides with the generous plot and secluded 143ft x 49ft rear garden, finding a more flexible home, on the doorstep of the Downs, will be a very difficult task indeed.

The classic and practical design, alongside the flexible accommodation within this property is immediately evident from the moment you pull on to the large driveway. Benefitting from 1092 Sq. Ft of total space, the property provides the perfect opportunity for the new owners to customise to their exact needs.

A spacious and centrally positioned entrance hallway immediately sets the tone for the home, creating an excellent first impression and a genuinely welcoming sense of arrival. At the heart of the property lies the kitchen/breakfast room, a practical and sociable space that enjoys direct access to the beautifully private rear garden, making it ideal for everyday living and relaxed entertaining.

The impressive and flexible layout continues with a generous 18ft living room that benefits from a desirable double aspect design, allowing natural light to flood the room throughout the day. Double doors open directly onto the gardens, further enhancing the connection between the internal living space and the outdoors.

There are two well proportioned double bedrooms, both featuring attractive bay windows that fill the rooms with natural light and add character and depth. These bedrooms are served by a spacious family shower room, while further practical benefits include the separate cloakroom/W.C access to a large loft space and a detached 22ft garage, completing the accommodation on offer.

Outside the property benefits from a large driveway with parking for several cars. In addition there is a useful garage, as well as a stunning Easterly facing rear garden which is wonderfully private and measures 143ft x 49ft at its maximum.

The property is a really solid bungalow with a great layout that will undoubtedly suit lots of purchasers specifically seeking lateral living, although it also provides a great foundation to add to, with significant scope to extend and double the footprint, in line with neighbouring homes that have previously sold on the road.

Homes this close to the Downs are always popular, especially one as spacious as this. Located within easy reach of local schools, local amenities and the picturesque open spaces of Epsom Downs.
