OPEN PLAN LIVING DINING KITCHEN 11'1" apx x 35'1" apx

You enter the property through a composite door into a stunning open plan living dining kitchen with sleek lines. Solid Wood flooring runs under foot throughout the whole space and windows to triple aspects flood the room with natural light.

The kitchen area is fitted with a range of concrete effect gloss base units with low profile white worktops and an inset single bowl sink with mixer tap. Cooking facilities include a five ring induction hob with an angled white glass extractor fan over, a NEFF hide and slide oven and an integrated NEFF multifunction microwave. Integrated appliances include a slimline dishwasher, washing machine and a tall fridge freezer and there are integrated refuse bins too. A white tall decorative radiator finishes off the space. A breakfast bar provides an informal dining solution and there is space in the adjacent dining area for a good sized table. Spotlights to the ceiling and a low hanging feature light over the breakfast bar light the space beautifully.

The lounge area has a log burner in an inglenook fireplace as a focal point and modern panelling to one wall adds a classic touch. A central glass and crystal light fitting adds elegance. A set of French doors open out into the conservatory.

A door leads into an understairs cupboard which has a side facing window, perfect for storage, which in turn leads into the garage. Hidden to one corner is the carpeted staircase which ascends to the first floor.

CONSERVATORY 8'8" apx x 14'2" apx

This great addition to the rear of the property has oak effect laminate flooring underfoot, rosewood effect frames and a polycarbonate roof. A set of French doors lead out to the garden and a further set lead back into the lounge area.

The garden is enclosed and private with a paved area down the side of the property, artificial lawn and a raised decked area perfect for al fresco dining or relaxing in the sunshine.

FIRST FLOOR LANDING 6'2" apx x 6'5" apx

A carpeted staircase ascends from the lounge to the first floor landing which is light and airy courtesy of a side facing window. A hatch gives access to the loft. Oak doors lead to the four bedrooms and house bathroom.

BEDROOM ONE 11'0" apx x 14'0" apx

Stylishly decorated, this gorgeous master bedroom is simply the perfect place to retire to at the end of a busy day.
