32 Butterfly Meadows, Beverley, HU17 9GA

A well presented and appealingly extended 3 bedroom detached house on this sought after Beverley development. The extension to the ground floor provides for a dining room and study area for the current owners and makes a big difference to the living space. The property is ideal for families as it also offers a ground floor WC, en suite and detached garage. Early viewing is essential.

The three bedroom family home has an en suite to the master bedroom and the sanitaryware and kitchen are all updated from the originals. The property has been well maintained and is likely to be an excellent option for buyers looking for a family home in the area. With gas fired central heating and uPVC double glazing the accommodation comprises: an Entrance Hall, WC Cloaks, Living Room, spacious Dining Room, fitted Kitchen, 2 Double Bedrooms (1 en suite with shower room), a Single Bedroom and House Bathroom. To the front of the house there is an off-street parking space and an area of lawn. There is a long paved driveway to the side of the house which leads to a detached brick-built single garage. There are gardens to the rear of the house, largely laid with an artificial lawn, and a lean-to storage area at the rear of the garage.

A really lovely detached family house with a larger ground floor space due to its appealing extension. Early viewing is essential to appreciate all that it offers though we do have a 360 degree tour that will provide an excellent overview short of that.
