If it's the finer things in life you're after, then we've certainly the house for you. This meticulously renovated four bedroomed detached home is stylish, it's bright, it's spacious, it's thoroughly beautiful...

It's quite rare these days with the tremendously fast pace of life we're experiencing to walk into a house and feel as calm as you do when arriving here.

So, tell us, what do you need from your family home - would it be a kitchen large enough for the dining table, to enjoy hosting and be with the buzz of your guests? A kitchen with not one but two Neff ovens (one a very sleek Slide and Hide), Quartz sink, Neff gas-n-glass hob and Qooker tap as well as soft close cabinetry with clever corner storage units...

Maybe it's a be-fitting 'grown up's' sitting room to relax in, post dinner, with a pretty aspect out to the garden.

Perhaps it's a further reception for the children to enjoy (and hide the toys away) or to use as a teenage hang out?

Or, understood, it's a gym you're after... we get it - well - we've got it all here! Plus a ground floor loo, too.

So plenty of space for all, and the way that this home has been so particularly well presented really is a treat.

Then you'll need to check out the bedroom quarters. And you'll be forgiven for thinking you've set foot into a delicious 5* boutique hotel when you make it to the first floor.

First off, we've the sumptuous master suite sitting to the front of the house which is complete with a large shower room with twin basins, huge shower, and cushioned vinyl flooring for maximum comfort and warmth.

The second double is currently proffered as a splendid walk in wardrobe with an enviable collection of wardrobe/storage space - do note that there was originally a second en suite here, plumbing for which has been capped off within the walls - ready and waiting for a purchaser who may wish to reinstate the same.

We've two further bedrooms as well as a family bathroom suite. The bathroom, as with the en suite to master, comes with cushioned vinyl flooring and comprises a three piece suite.

Now, we know we've proffered quite the family home at
