1.38 acre site | full planning permission | architect-designed homes | potential for five plots (STPP) |

A truly exceptional opportunity to acquire a prestigious residential development site, occupying an elevated position on sought-after Lambley Lane in the heart of Burton Joyce.

Extending to approximately 1.38 acres, this remarkable site benefits from full planning permission for an exclusive collection of four architect-designed contemporary homes, each individually designed to maximise the spectacular setting, privacy and far-reaching views.

This is not simply another housing development. It is a carefully considered scheme designed to create a collection of statement homes in one of the area's most desirable residential settings.

The approved development comprises:

- Plot One – A striking five-bedroom contemporary family home with approximately 320 sq.m of accommodation arranged over three floors.
- Plot Two – A substantial five-bedroom detached residence extending to approximately 300 sq.m, featuring generous open-plan living, balconies and an integral double garage.
- Plot Three – A second architect-designed five-bedroom residence of approximately 300 sq.m, finished in a similar contemporary style with exceptional family accommodation over three floors.
- Plot Four – The flagship residence, extending to approximately 630 sq.m (6,780 sq.ft), incorporating five luxurious en-suite bedrooms, spectacular entertaining space, leisure facilities including an indoor swimming pool and a magnificent private setting of approximately one acre.

Perhaps most excitingly, the approved scheme also offers significant future potential. The configuration and size of Plot Four present what is considered to be an exciting opportunity, subject to the necessary planning consents, to explore the creation of an additional building plot. This could increase the overall development from four luxury homes to five, offering purchasers the opportunity to enhance the overall proposition.

Opportunities of this scale, quality and potential are exceptionally rare. Whether progressing the approved scheme or exploring the possibility of enhancing the consent further, this represents a landmark development opportunity in one of Nottinghamshire's most sought-after residential locations.

Please Note: The CGIs and Floorplans contained within these particulars are enhanced visual representations created from the approved planning drawings. They are intended for illustrative purposes only. Full approved plans and specifications are available to view on the Gedling Borough Council Planning Portal under Planning Reference 2015/0851.

It is worth noting that we understand the site to be CIL exempt, subject to conditions. A Section 81 Demolition Notice has been issued by Gedling Borough Council with the demolition of number 27 already completed and the site considered to be live.

By law, we are required to conduct anti-money laundering checks on all potential buyers, and we take this responsibility very seriously. In line with HMRC guidelines, we use Thirdfort to securely manage these checks on our behalf. Once an offer is accepted (subject to contract), a secure link to Thirdfort will be sent to you to complete the biometric links electronically. A non-refundable fee of £15 + VAT per person will apply for these checks, and payment for this will be handled directly with our office. These anti-money laundering checks must be completed before we can send the memorandum of sale to the solicitors to confirm the sale.
