The accommodation comprises four generously sized double bedrooms, two of which benefit from en-suite facilities, a family bathroom, a spacious living room and an impressive open-plan kitchen, dining and living space which forms the heart of the home. Further benefits include a separate utility room, downstairs cloakroom, excellent storage, driveway parking, an integral garage and landscaped gardens.

Entrance is gained through the front door into the welcoming entrance hall, providing access to the principal ground floor accommodation and stairs rising to the first floor. Immediately to the left is the spacious living room, featuring front aspect windows overlooking the lawned garden and a stylish panelled feature wall, creating a sophisticated yet comfortable setting for relaxing with family and friends.

Continuing through the hallway, the downstairs cloakroom provides a useful WC and wash hand basin. Opposite, an understairs storage cupboard offers excellent space for coats, shoes and household essentials, whilst a further door provides direct access into the integral garage.

The impressive open-plan kitchen, dining and living space provides a fantastic contemporary hub for everyday family life and entertaining. The living area features a rear aspect window and stylish panelled walls, creating a warm and inviting space whilst retaining the feeling of openness throughout. There is ample room for a dining table between the kitchen and living areas, with rear bifold doors flooding the room with natural light and opening directly onto the garden, making this an ideal space for entertaining during the warmer months.

The kitchen has been thoughtfully designed with a contemporary range of wall and base units finished in a sophisticated matte black, complemented by a generous amount of worktop and storage space. Integrated appliances include a fridge freezer, AEG oven and grill, AEG four-ring electric hob and AEG dishwasher, together with a sink and drainer. A rear aspect window provides additional natural light, whilst the opposite side of the kitchen base units incorporates a breakfast bar with space for four stools, making excellent use of the available space and providing the perfect spot for casual dining or morning coffee.

A door leads through to the separate utility room, which continues the modern style of the kitchen and provides additional base units, a sink, space for a washing machine and/or tumble dryer, together with useful coat hanging space. A side access door leads directly outside, providing convenient access between the front and rear gardens.
