Wensleydale Road, TW12

Newly built homes on such a popular road are incredibly rare to find, and the quality of finish throughout this beautifully designed four bedroom semi detached house immediately sets it apart.

At the heart of the home is an impressive kitchen/dining room featuring a bespoke Italian shaker-style kitchen with Smeg appliances, a large central island and floor-to-ceiling Crittall style doors opening onto the substantial south facing rear garden, extending to approximately 100ft. A separate reception room provides additional living space, while a laundry room and guest cloakroom complete the ground floor. This consists of engineered oak flooring with underfloor heating throughout.

The first floor offers two generous double bedrooms, both en-suite, one with a freestanding bath and separate shower. The top floor is home to a further two double bedrooms and bathroom. Designed for modern living, the property also benefits from an air source heat pump, solar panels, an EV charging point and off-street parking.

Wensleydale Road is a premier road in Hampton village, moments from Carlisle Park and a short walk to Hampton train station. You will also find many well regarded schools locally, both state and private, within walking distance.
