DESCRIPTION

Hunters Apartment Department brings to the market this smart, newly renovated two-bedroom second-floor apartment within the gated Charter Court development, moments from the heart of New Malden.

Fresh, bright and ready to move straight into, the apartment has undergone a comprehensive renovation throughout, giving it a crisp contemporary finish while retaining an excellent feeling of space. Its second-floor position provides plenty of natural light along with pleasant open views.

The accommodation includes two genuine double bedrooms. The brand-new fitted kitchen is another highlight, finished in a clean contemporary style with ample storage and worktop space, together with dedicated space for both a washing machine and dishwasher. The living space is bright, comfortable and well proportioned, while residents also benefit from gated parking and telephone entry, adding both convenience and security.

Location is a major part of the appeal. New Malden Station is just a five minute walk away through the twitten shortcut, providing regular direct services into London Waterloo, making this a particularly attractive option for commuters. New Malden High Street is equally accessible, putting its excellent selection of cafés, restaurants, shops and everyday amenities virtually on the doorstep.

The area is also well served by a choice of highly regarded local schools, making the apartment equally appealing to buyers looking beyond their immediate move.

Newly renovated, brilliantly connected and not a paintbrush in sight — just unpack, put the kettle on and congratulate yourself on a very good move.
