Plot 14 Somerford Reach, Cae Heulog,
Arddleen, Llanymynech, SY22 6FJ

Plot 14 Somerford Reach, Cae Heulog, Arddleen, Llanymynech, SY22 6FJ
£295,000

Somerford Reach Phase 2 presents an exceptional opportunity to acquire a new home in the desirable rural community of Arddleen. This extension of the highly successful Cae Haulog development comprises 14 thoughtfully designed residences, situated conveniently between Welshpool and Oswestry, with easy access to the A483. The development offers a diverse selection of properties, including three-bedroom houses and bungalows, four-bedroom houses, and two smaller homes specifically designated for local first-time buyers at an affordable price point. Positioned adjacent to farmland, select plots boast picturesque open rural views, while others offer the advantage of sheltered, sunny, south-facing rear gardens. Anticipated for completion in December 2026.

Description

Jumping out at you immediately will be the ground floor layout, combining the lounge, dining room and kitchen in an open-plan setting which stretches throughout the house. Better yet, the room also features rear-facing patio doors and front bay window, bringing in an abundance of natural light and access to your garden. The Larch truly offers a fantastic social setting for you to invite people over and make the most of the summer months. The open plan setting allows for other essential rooms to be included downstairs, including a small cloakroom, utility room and storage space which can be found beneath the staircase. Always remember if open plan space isn't your preference, we can always create a more traditional separate room layout. Heading up to the first floor, you'll find three well-sized bedrooms. Two of the bedrooms include built-in wardrobes, whilst the main bedroom comes with an ensuite shower room. Down the landing, you'll find the spacious family bathroom. All Primesave homes are traditionally built by skilled local tradespeople incorporating the latest high-performance insulation in the floors, walls, windows and roof spaces. Low carbon central heating is installed with an air source heating pump and solar panels are added as standard. For safety, there are mains power heat and smoke alarms together with a fire suppression sprinkler system. The Larch has been designed with functionality in mind, which is why you'll find storage spaces on both floors of the home. This property is designed to help your family thrive, with all the space and amenities you require.

Internal

Decoration: Walls and ceilings finished in Rock Salt Matt Emulsion, doors and woodwork finished in White Silk Gloss.

Optional Extras and changes to the property

Primesave will quote for optional extra on request. Please note Primesave cannot make structural alterations, remove or move internal walls, amend kitchen or bathroom layouts, add extensions / conservatories, change window positions or sizes, or change the external appearance of the property, as these matters have already been determined within the approved detailed planning permission and agreed with Building Control. Optional extras are subject to the build stage and to the availability of materials and workforce. Full prepayment is required. Optional extras are considered a separate consumer contract sitting outside the legal contract to purchase. Refunds are not made if you decide not to complete the purchase or if a reservation is terminated by either party. This information was correct at the time of publication and we reserve the right to amend prices and specifications as required. Issued March 2025. V1.
