A great opportunity for a range of buyers, this well-proportioned property offers a blank canvas for the next owner to make it their own. It could also be an excellent investment for aspiring landlords or those looking to expand their existing portfolio, with the potential to generate a rental income.

This has been a fantastic rental property for me over the years. The tenants have always been lovely and have taken great care of the property, and I've made sure to keep on top of any maintenance needed. It would also make a lovely home for a range of buyers looking to live in the property themselves.
