Front of the home

The aforementioned tarmac driveway has space for two vehicles to park in front of this brick-built gabled home, which has a tiled roof and uPVC double glazing. A gravelled area sits beneath the bay window and there is a hanging basket bracket to the right of the gabled canopy porch over the front door. Enter the home through the half-glazed composite front door.

Entrance Lobby

With pine laminate flooring and a ceiling light fitting, there is room on the left for coats and footwear. Immediately in front are stairs up to the first floor, with a white panelled door on the right into the sitting room.

Sitting Room

15'10" x 9'10" (4.85 x 3)

The large south-west facing bay window brings lots of natural light flooding in. The window has a deep sill, perfect for display such as a vase or other ornaments. The room is carpeted and has a radiator, ceiling light fitting and - like all rooms in the home - skirting boards. An under-stairs cupboard on the left provides useful storage and an open arch leads through to the kitchen-diner.

Kitchen-Diner

12'11" x 9'4" (3.95 x 2.85)

Fitted in 2022, the roomy kitchen has plenty of space on the right for a dining table or breakfast dining set. On the left, the kitchen has an L-shaped worktop with plenty of space for food preparation and small appliances. At each end, there is space and plumbing beneath the worktop for a washing machine and dishwasher. The Neff hob has a gas oven below and extractor fan above. A good number of high and low level cabinets include a Glow Worm boiler in the top-right corner cabinet. Beneath the window which looks through the conservatory to the rear garden is an integral 1.5 stainless steel sink and drainer with chrome mixer tap.

The room also includes two ceiling light fittings, a radiator, tile-effect laminate flooring and sliding patio doors into the conservatory.

Conservatory

10'5" x 9'10" (3.2 x 3)

This large addition to the home can be used all year round thanks to having two radiators. It's a light and airy room thanks to the two fully-glazed doors out to the rear garden and lots of deep windows on two sides. The room has light oak-effect laminate flooring, wall lights and an angled roof.

Stairs to first floor landing

Carpeted stairs with a handrail on the left lead up to the carpeted landing. There is a loft hatch overhead and white panelled doors to the two bedrooms and bathroom.

Bedroom One

13'3" x 13'1" (4.05 x 4)

This large double bedroom has a wide south-west facing window and large alcove on the right, which is a perfect spot for a large wardrobe or desk/dressing table. An over-stairs cupboard with shelving provides useful storage and there is plenty of space for a double bed and additional furniture. The room is carpeted and has a radiator and ceiling light fitting.

Bathroom

6'0" x 6'0" (1.85 x 1.85)

The bath has a chrome mixer tap with mains-fed shower above, tiled surround and folding glass shower screen. The ceramic WC has an integral dual flush and the ceramic pedestal sink has a chrome mixer tap. With a frosted double glazed window, the room also includes pine-effect laminate flooring, recessed ceiling spotlights, extractor fan, radiator and a wall-mounted mirrored cabinet.

Bathroom Two

10'11" x 6'6" (3.35 x 2)

Currently a home office, this bedroom is located at the rear of the home and is carpeted and has a radiator and ceiling light fitting.

Rear Garden

This easy-maintenance garden has an open feel and gets the sun through to late afternoon. It is fully paved, with plenty of room for outdoor dining, seating and planters. A timber fence forms the boundary on three sides, with a cypress hedge above the fence on the left-hand side. There is an ash tree too and towards the end of the garden is a large shed, space for bins to be discreetly stored and access to an alley at the rear.
