Summary:

The standout feature is the dual-aspect living room, which floods the space with natural light and gives the apartment a real sense of openness. It is a room that simply feels good to be in, bright, balanced and easy to furnish. The accommodation is well laid out and comprises a generous reception room, a modern fitted kitchen, two bedrooms (one double and one generous single) and a smart family bathroom. The property measures approximately 655 sq. ft., which is a very respectable footprint for a central New Malden flat. The location speaks for itself. New Malden Station is moments away. Close enough that you could genuinely roll out of bed and be on the platform, making this an ideal choice for commuters, first-time buyers or anyone wanting day-to-day convenience on their doorstep.
