Harlock House, 26 Church Street, Finedon, Northamptonshire NN9

£700,000 - Freehold

Harlock House, 26 Church Street, Finedon, Northamptonshire NN9 5NA

Harlock House is a spacious character grade II listed family property and originally dates from the early seventeenth century. The property offers spacious and versatile accommodation arranged over three floors and includes three separate reception rooms, 6 bedrooms and 3 bath/shower rooms.

The lovely mature gardens are a real feature of the house and there is also a swimming pool which would be ideal for regular exercise or recreation during the warmer spring and summer months. Rear vehicular access leads to a wide driveway with space to park at least three cars side-by-side and a large timber garage. The total plot size extends to approximately 0.46 acre (0.1875 acre).

The house offers lots of modern practicalities such as a well specified master bedroom suite and a large spacious fitted kitchen/breakfast room and blends these well with the numerous period features of the original building. There is gas radiator central heating with character column radiators to many rooms and the domestic hot water system is via a pressurised megaflo cylinder to ensure good pressure throughout the house.

Finedon is a historic small Northamptonshire town with good day to day amenities, shops and great road links. A regular rail service from Wellingborough has a journey time to London St Pancras of around 55 minutes.

This really is a house that must be seen as only a full viewing will allow you to appreciate just what this gorgeous house offers.
