## MOBILE PHONE COVERAGE

According to Ofcom based on customers' experience in the DH9 area, below shows the chance of being able to stream video, make a video call, or quickly download a web-page with images to your phone when you have coverage. It's the likelihood of you being able to get this performance within the postal district depending on the network you are using. Performance scores should be considered as a guide since there can be local variations.

This shows the percentage of measurements across your postal district over the last 12 months that can successfully stream video or make a video call if they have coverage.

O2 (75%), Vodafone (72%), EE (67%), Three (62%).
