Situated within a gated development on a desirable road in Dulwich SE22, the accommodation of this one bedroom flat comprises a reception/dining room (space for a dedicated dining area or study area) with Juliet balcony (with view onto the rear gardens), a separate kitchen, a bedroom which also has views on to the rear gardens, a bathroom and a central entrance hall with store cupboard built in.

The owner replaced the windows in December 2025. The replacement windows are double glazed which will have a positive impact on the energy performance of the property as well as the properties value / desirability.

The leaseholders manage the building - The leaseholders manage the building themselves in an official capacity which we consider an asset of this property. The formal arrangement is called "Right To Manage". We advise buyers to look up this term however, we are happy to answer any questions.

Here is what the owner has said about the flat:

- It's very quiet and peaceful because it's set back from the road and my flat overlooks the garden.
- My neighbours have always been friendly and considerate.
- We have a Right to Manage arrangement so we've got a lot of control over who manages the property and what the associated costs are.
- It's in easy walking distance of several different green spaces (Peckham Rye, Dulwich Park, Dulwich woods).
- It's really quick and easy to access the shops, pubs and restaurants in East Dulwich, Forest Hill, Dulwich Village, Peckham and Crystal Palace.
- It's well-served by buses. Forest Hill station is a 20 minute walk. East Dulwich and Peckham Rye stations are a 10 minute bus journey away.

THE LOCATION

There is a selection of walking trails locally via the highly acclaimed Sydenham Hill woods and Albion Millennium Green to name just a couple.

You might be surprised to note there is a golf course in the local area. The ever-popular Dulwich and Sydenham golf course is an 18-hole course founded in 1894 and designed by one of the most significant course architects of all time. It has views over the woods and of Dulwich college.

The property is also circa 16 mins walk to Peckham Rye. Facilities within the park include walking paths, a café, playgrounds, sports pitches and a lido. The park also contains Peckham Rye Common and several designated conservation areas.

The entrance to one of southeast London's popular family attractions, the Horniman Museum and Gardens, is in the proximity. This is so convenient that the gardens of the Horniman's are a secondary outside space for the residents of in the immediate area.

For those who aren't familiar with the Horniman museum and gardens we recommend you have a look online and visit when you are in the area.

With regular events such as a farmer's market and gardens that children adore, (sound garden and animals in particular), this will be of paramount interest to families.
