A balcony for your morning coffee, space to sit down for in the kitchen for dinner and a large welcoming entrance hall give this two bedroom apartment an inviting feel. Set on the second floor in Shevon Way, the home offers comfortable living space, lots of useful storage and the added practicality of its own garage.

The lounge is spacious and bright with a wide window bringing in plenty of natural light, while the glazed door opens onto the private balcony. With an outlook across the greenery behind the building, the balcony is somewhere to enjoy a morning coffee, settle down with a book or step outside for a little fresh air.

The separate kitchen has white cabinetry and contrasting worktops, with cupboard storage and plenty of room to prepare meals. Space for a dining table makes this a sociable, practical room, whether you are having a quick breakfast or sitting down together in the evening.

A separate kitchen keeps cooking tucked away from the main living space. White cabinetry and contrasting worktops create a simple, neutral finish, with cupboard storage and room to prepare meals.

Both bedrooms and the entrance hall have built in storage, helping to keep the entire home feeling uncluttered, and the bathroom is fitted with a white suite, including a bath with a shower over.

The property has a lockable storage cupboard within the communal area, and it's own garage garage, both of which provide useful additional space. while approximately 113 years remain on the lease.

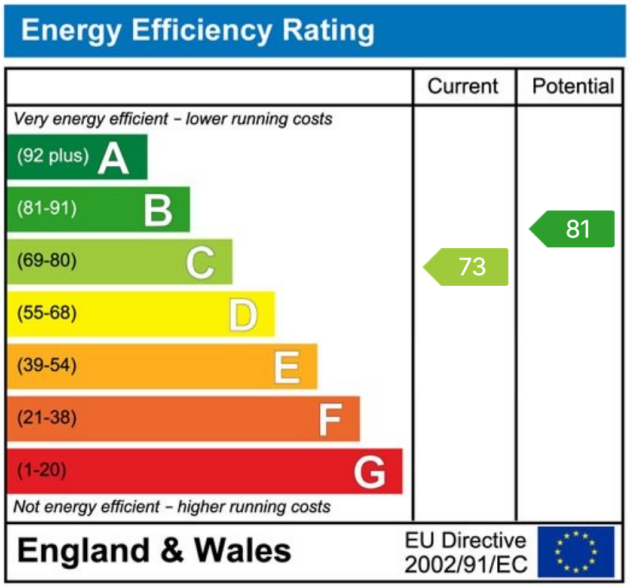

A early viewing is highly recommended to appreciate all the benefits this home has to offer.
