" We've loved being so close to so many wonderful parks, and being able to walk everywhere - into town or to Temple Meads or to the end of the road to grab some freshly baked bread. Our home is just really comfortable, with more than enough space for us, our two kids, dog, and two cats! We've especially loved maturing the south-west facing garden, and making jams from the fruit trees. We'll be sad to leave! "
