The A303 is just over a mile away for easy road access.

A welcoming entrance porch provides a practical space for coats and boots, opening into a modern fitted galley kitchen with tiled flooring, electric oven and hob, integrated dishwasher, and space for further appliances. A pantry/utility room offers useful additional storage and leads through to the spacious living/dining room, which spans the full width of the property. This impressive room features an exposed stone wall, solid wood flooring, and patio doors opening to the garden, ideal for entertaining or simply enjoying the peaceful setting. Two further reception rooms provide flexible living space, including a sitting room with open fire and parquet flooring, and a family room/study, both overlooking the front garden.

Upstairs, the landing includes a large walk in cupboard and airing cupboard. There are three double bedrooms, each with countryside views, and a family bathroom with modern suite, shower over bath, and heated towel rail. The principal bedroom is particularly impressive, enjoying triple aspect windows framing the surrounding hills and a en suite shower room. A further staircase leads to a versatile attic room with two Velux windows capturing wonderful valley views.

Set within approximately just over 0.5 acres, the gardens wrap around the cottage and features traditional stone walls, areas of lawn, patio and mature planting creating a tranquil setting surrounded by open countryside and far-reaching views.
