7 Lambourne Drive, Stoke-On-Trent ST2 7ND

Whittaker & Biggs would like to welcome you to this semi-detached house that is perfect for families or those seeking a comfortable home. This delightful property boasts three well-proportioned bedrooms, providing ample space for relaxation and rest. The inviting reception room with log burner offers a warm welcome, leading you into the heart of the home.

One of the standout features of this residence is the extended side, which has created a spacious breakfast kitchen. This area is enhanced by a stylish lantern roof, allowing natural light to flood in, making it an ideal spot for family gatherings or casual dining. The ground floor also includes a beautifully designed bathroom, featuring a stunning freestanding claw foot bath, perfect for unwinding after a long day. Additionally, the contemporary shower room on the first floor adds convenience for busy mornings.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
