St. Peters Road, West Mersea

This immaculately presented four-bedroom detached home is located in the highly sought-after Anchorage area of West Mersea, just a short walk from the beach and within easy reach of local shops, cafés, and essential amenities.

Thoughtfully designed for modern family living, the property features a bright and spacious semi-open-plan layout that flows effortlessly between living, dining, and kitchen areas. While bifold patio doors fill the home with natural light, creating a warm and

welcoming atmosphere throughout.

Upstairs, all four generously sized bedrooms benefit from built-in storage in every room, offering excellent organisation and convenience. Stylish bathrooms and quality finishes further enhance the comfort and appeal of the home.

Externally, the property boasts a west-facing rear garden that enjoys afternoon and evening sunshine—ideal for outdoor dining,

relaxing, or entertaining. A single integral garage provides additional storage and practicality, while the driveway offers off-street parking for multiple vehicles.

A beautifully maintained home in a prime coastal location, combining stylish interiors with superb functionality—perfect for those seeking the best of West Mersea living.
